

WESTERVELT LODGE
ALICEVILLE, ALABAMA

Wingshooting

October 1, 2011 - March 31, 2012

WESTERVELT LODGE has quickly become Alabama's finest wingshooting lodge. What sets us apart are our hard flying birds and well-groomed quality courses, surrounded by the towering pines Westervelt Lodge has long been famous for.

The wingshooting hunts are fully guided with our seasoned bird dogs, or feel free to bring and hunt with your own dogs. We offer plantation-style quail hunts or mixed bag hunts that include chukar and pheasant.

Whether you desire an afternoon hunting with friends or are planning a corporate function, wingshooting is a perfect setting.
